Mrs Effa Manley

received your letter

Today found all well. Now
about the trades with

Clarkson Handridge and myself
coming back. you can trade
Johnson Christopher and Brown.

I spoke to Lopez and he said
he would play with you
and I told him not to sign with
any one untill he heard from you.

I think Handridge will leave
this week his girl is sick
that is what he told me
Sunday. because I am sure
Christopher will not return
any way he will go back to

deal and I am sure you want
 regret it. Don't trade Clarkson.
 I don't know this boys Davis
 but they say he is a nice
 player also can hit. I am
 sure with this bunch of fine
 players we will win the
 pennant. McKay - Parks - Matthews -
 Pearson - Irvin - Davis - Clarkson -
 Handridge - Hay - Hill - Manning -
 Hoobgood - Barney Brown - Stone -
 Wells. I don't know anything about
 this Hooker but I am sure
 it is best to carry 16 men. because
 you never know who will get
 hurt. all good teams that ever
 won a pennant got to have
 reserve on the Bench. it may
 look like a big salary bill
 but every body will
 want the Eagles I am sure
 you will make plenty with

the Clowns. About Pearson
 I am sure he will be the
 Cream at first base he is
 playing a beautiful game
 of base ball down here he is
 hitting and doing every thing
 a good ball player is supposed
 to do so he is the man for
 first base. in Barney Brown
 you getting the best Left hander
 in Base ball who can play
 Wells. I don't know anything about
 outfield as well he is hitting
 over 340. has Stone sign? My
 Planes about another pitcher to
 have two top Left handers
 one of them must be able to
 play outfield and that is why
 I said Barney Brown is the
 man we need and we can
 have the kind of outfield
 you could enjoy seeing play.
 do your best to turn this

P.S.

Please let me know how the
trade come out. we had letters
from Mexico wanting us to report
that is why I said let me sign
the papers and take action later.

This Club because all is young⁴
you will have a club that
will make you money for the
next five years. be sure that
all the the teams play the same
abo amount of games and the
same amount with each club.

and all games postponed because
of rain he played at a later
date. stick to that at the meeting
because that is the only way
it could be a league because
Posey will try to trick you he
knows if we have the men you
got he will try every thing to
duck you and get the weaker clubs.
if we get Barney Brown Lopez want
be needed. we beat him Sunday
9-6. got 14 hits. Will tell all the boys what
you said. I remain Willie Wells
